ELIGIBILITY AND SCHEDULE OF CLASSES

Classes at Rally Competitions

A competition host may stage one or more special classes not conforming to the standard class tests set out in Annex C of the Regulations. Such classes must contain the word 'Special' in the title of the class, and shall not count towards progression, titles or awards in standard competition classes.

Levels

Rally handler/dog teams compete in their lowest eligible class from level 1 to level 6. They may also compete at the subsequent level. Progression to the next level does not require either wins or places. Scores equivalent to these qualifying scores (or greater) earned at Limited Rally competitions do not count towards Progression, Rally Level Titles or Excellent titles. In all levels a qualifying score 190 or above equates to an excellent score.

Eligibility

When entered for a competition, a dog must be entered in a standard class at the level for which it is eligible. The dog may also, if desired, be entered in up to two additional classes, one further standard class at the next level up, if scheduled, one additional special class, if scheduled, or two additional special classes. A dog may be entered in special classes only, up to a maximum of 3 classes. Special classes do not count towards progression.

*FITdogs Privacy Policy - GDPR

Let's get this GDPR requirement out of the way. We will keep this in the simplest form possible!

1, What information do we gather?

We have to record the names and basic details (height, breed etc) of the dogs that are entering into our Rally Competitions.

We also record the names of the owner/handler(s) of the dogs entered into our Rally Competitions, along with their contact details – postal address and email address.

We do NOT record credit or debit card details of entries made via “With Your Dog Rally” as that service is a ‘third party’ and subject to their own Privacy Policy.

2. Where do we get the information from?

All information that we record is provided by the entrants to our Rally Competitions via the official Entry Form or through “With Your Dog Rally”.

3. Why do we record information?

We record the information as stated in paragraph 1 to:

- a. Ensure only those that have paid the Entrance Fee actually participate in any particular ‘level’ at a Rally Competition
- b. Establish who is entered in any particular ‘level’ at the relevant competition, award scores and qualifications attained
- c. Maintain a record (in abbreviated form) of the qualifiers in every ‘level’ at all Rally Competitions according to Kennel Club Regulations
- d. Assist in maintaining ‘control’ at the venue for Health and Safety purposes
- e. Verify qualifications and placings at previous Rally Competitions

4. How do we record information?

We retain printed Entry Forms and associated records for a maximum of one year from the date of the relevant Rally Competition, following which they are destroyed by ‘shredding’.

Records of results from each level at a Rally Competition are retained digitally on a removeable disc, stored securely and in encrypted form for a maximum of five years. These records comprise the dogs names, their ‘score’ and the level/venue.

5. Unsolicited contact

The only time we may contact an entrant to our Rally Competitions will be in response to a query or to confirm or clarify specific details.

We NEVER send out marketing emails, spam or junk.
