## ELIGIBILITY AND SCHEDULE OF CLASSES

### Classes at Rally Competitions

A competition host may stage one or more special classes not conforming to the standard class tests set out in Annex C of the Regulations. Such classes must contain the word 'Special' in the title of the class, and shall not count towards progression, titles or awards in standard competition classes.

#### Levels

Rally handler/dog teams compete in their lowest eligible class from Level 1 to Level 6. They may also compete at the subsequent level.

Progression to the next level does not require either wins or places. Progression is dependent upon gaining three Excellent scores, under three different judges, or six qualifying scores under four different judges.

Levels 1 – 4 have a qualifying score of 175 out of 200.

Levels 5 & 6 have a qualifying score of 180 out of 200.

Scores equivalent to these qualifying scores (or greater) earned at Limited Rally Competitions do not count towards Progression, Rally Level Titles or Excellent titles.

In all levels a qualifying score of 190 or above equates to an excellent score.

#### Eligibility

When entered for a competition, a dog must be entered in a standard class at the level for which it is eligible.

The dog may also, if desired, be entered in up to two additional classes, one further standard class at the next level up, if scheduled, one additional special class, if scheduled, or two additional special classes. A dog may be entered in special classes only, up to a maximum of 3 classes. Special classes do not count towards progression.
