29. A dog can not be entered in the same class more than once.
30. Once a dog has entered the ring to compete, no further practice may be carried out.
31. A dog must, at the time of entry for the competition, be registered as required by Kennel Club Rules and Regulations in the owner's name (or registration or transfer applied for). In the case of joint registered owners the full name of every registered owner must be given.

Where an owner makes an entry on behalf of another joint registered owner(s) or where an agent enters on behalf of a single or joint registered owner(s) such person must have the authority and consent from the single or joint registered owner(s) to sign the entry form on their behalf thereby binding them all to Kennel Club Rules and Regulations. In the event of any dispute, evidence of such authority and consent will be required.

A dog acquired subsequent to entry having been made at a Competition may compete as the new owner's property provided that an application for the transfer has been forwarded to the Kennel Club before the Competition, and the new owner has undertaken to abide by the Regulations and conditions of the original entry form (and in accordance with the conditions set out above).

32. Dogs will be disqualified if proved to have been handled in the class by a scheduled judge's spouse or immediate family, or resident at the same address as a scheduled judge.

31. **Welfare of Dogs**

An exhibitor (or competitor) whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not knowingly put their dogs' health and welfare at risk by any action, default, omission or otherwise. A breach of this Regulation may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any Rally event licensed by the Kennel Club. This shall apply at the venue and within the precincts of the competition.

32. No modifications may be made to the Schedule once published except by permission of the Board of the Kennel Club which must be followed by advertisement in the Canine Press if possible.

33. **Animals in Event**

No animal other than one officially entered shall be brought into the precincts of a competition during its continuance, except any dogs registered to assist the disabled, or dogs required for educational or instructional purposes or by permission of the Board. However, at the discretion of the host organisation, a dog brought to the show by a spectator may be admitted into the precincts of the competition, with the proviso that those in charge of the dog sign a declaration confirming the dog is free from disease and that the dog will be kept under proper control at all times.

## **ELIGIBILITY AND SCHEDULE OF CLASSES**

### **Classes at Rally Competitions**

A competition host may stage one or more special classes not conforming to the standard class tests set out in Annex C of the Regulations. Such classes must contain the word 'Special' in the title of the class, and shall not count towards progression, titles or awards in standard competition classes.

### **Levels**

Rally handler/dog teams compete in their lowest eligible class from Level 1 to Level 6. They may also compete at the subsequent level.

Progression to the next level does not require either wins or places. Progression is dependent upon gaining three Excellent scores, under three different judges, or six qualifying scores under four different judges.

Levels 1 – 4 have a qualifying score of 175 out of 200.

Levels 5 & 6 have a qualifying score of 180 out of 200.

Scores equivalent to these qualifying scores (or greater) earned at Limited Rally Competitions do not count towards Progression, Rally Level Titles or Excellent titles.

In all levels a qualifying score of 190 or above equates to an excellent score.

## **Eligibility**

When entered for a competition, a dog must be entered in a standard class at the level for which it is eligible.

The dog may also, if desired, be entered in up to two additional classes, one further standard class at the next level up, if scheduled, one additional special class, if scheduled, or two additional special classes. A dog may be entered in special classes only, up to a maximum of 3 classes. Special classes do not count towards progression.
