Thank you to Sarah and Stu for offering me an appointment at their incredibly well organised and efficiently managed show. The sun shone, the competitors were all kind to their dogs and the whole Little Orchard support team were friendly and helpful – a delightful day all round. Thank you particularly to Yvette for her pleasant company, for scribing and for helping with the manual duties of ring management as I was feeling sore.

Some lovely teams came into the ring and in addition to the top six rounds, there were also another 14 qualifiers. Well done to everyone.
