ELIGIBILITY AND SCHEDULE OF CLASSES

Classes at Rally Competitions

A competition host may stage one or more special classes not conforming to the standard class tests set out in Annex C of the Regulations. Such classes must contain the word 'Special' in the title of the class, and shall not count towards progression, titles or awards in standard competition classes.

Levels

Rally handler/dog teams compete in their lowest eligible class from Level 1 to Level 6. They may also compete at the subsequent level. Progression to the next level does not require either wins or places. Progression is dependent upon gaining 3 Excellent scores under 3 different judges, or 6 qualifying scores under 4 different judges. Levels 1 – 4 have a qualifying score of 175 out of 200 and Levels 5 - 6 have a qualifying score of 180 out of 200. Scores equivalent to these qualifying scores (or greater) earned at Limited Rally Competitions do not count towards Progression, Rally Level Titles or Excellent Titles.

Eligibility

When entered for a competition, a dog must be entered in a standard class at the level for which it is eligible. The dog may also, if desired, be entered in up to 2 additional classes, either 1 further standard class at the next level up, if scheduled, plus 1 additional special class, if scheduled, or 2 additional special classes. A dog may be entered in special classes only, up to a maximum of 3 classes. Special classes do not count towards progression
