ELIGIBILITY

Classes at Rally Competitions

A competition host may stage one or more special classes not conforming to the standard class tests set out in Annex C of the Regulations. Such classes must contain the word 'Special' in the title of the class, and shall not count towards progression, titles or awards in standard competition classes.

Levels

Rally handler/dog teams compete in their lowest eligible class from Level 1 to Level 6. They may also compete at the subsequent level.

Progression to the next level does not require either wins or places. Progression is dependent upon gaining three Excellent scores, under three different judges, or six qualifying scores under four different judges.

Levels 1 – 4 have a qualifying score of 175 out of 200.

Levels 5 & 6 have a qualifying score of 180 out of 200.

Scores equivalent to these qualifying scores (or greater) earned at Limited Rally Competitions do not count towards Progression, Rally Level Titles or Excellent titles.

In all levels a qualifying score of 190 or above equates to an excellent score.

Eligibility

When entered for a competition, a dog must be entered in a standard class at the level for which it is eligible

The dog may also, if desired, be entered in up to two additional classes, one further standard class at the next level up, if scheduled, one additional special class, if scheduled, or two additional special classes. A dog may be entered in special classes only, up to a maximum of 3 classes. Special classes do not count towards progression.

Level 1

- Open to dogs which have not achieved a Level 1 or Level 1 Excellent Title.

Level 2

- Open to all dogs which have achieved a Level 1 or Level 1 Excellent Title, except those that have achieved a Level 2 or Level 2 Excellent Title. Dogs eligible for and entered at Level 1 may also enter at this Level.

Level 3

Level 6

- Open to all dogs which have achieved a Level 5 or Level 5 Excellent Title. Dogs eligible for and entered at Level 5 may also enter at this level.

Special class Rules

Snooker class:

A 12-15 signed course. It will be possible to complete the course using just level 1 and 2 signs however, 7 of the stations will have alternatives that are worth more points, and these can be from any level.

If the handler attempts the alternative sign they can 'pot the snooker ball' and earn extra points as follows:

Red 1

Yellow 2

Green 3

Brown 4

Blue 5

Pink 6

Black 7.

The NQ for scoring 10 or more on any exercise will not apply but if they do not score less than 10 points then they will not pot the ball to earn extra points.

Treat & Train.

This will take place in an area away from other competing rings.

A course of level 1-4 signs, which can be completed on or off lead. Silent toys and non crumbly treats, given to the dog from the hand, can be given to the dog at any point during the course.

There will be an option to do the course as NFC (Not for competition) NFC rounds will be marked for guidance and training purposes. During an NFC round, help and guidance is available from the judge. A maximum of 5 minutes is allowed for each dog in the ring.
