Obreedience Crufts Team Competition (Special) 2020

Introduction

The aim of Obreedience is to encourage a wider variety of different breeds to take part in a competition which includes some of the exercises generally associated with Obedience. Obreedience is a team event and highlights the abilities of different breeds in a relaxed and fun competition.

Each team is comprised of four handlers and four dogs who take part in two rounds of competition. The first section requires all four dogs to complete a round of heelwork together as a group, with the dogs and handlers being assessed on their ability to complete different moves whilst remaining synchronised as a team. This first round is marked out of ten points.

Round two features four set exercises and each team member has to complete one of four different exercises. The exercises include a Retrieve (handler's own article), Send to Bed, Stop the Dog and Scent over Articles. Round two is marked out of 40 points (10 points per set exercise). Once all teams have completed the two rounds, the scores are compiled and the team with the highest score will be placed first.

Heats

All heats must take place at Kennel Club licensed events and the class name in the schedule should replicate exactly the name of the competition as stated in these rules.

Dogs entered must be registered with the Kennel Club on the Breed Register or on the Activity Register, as a Kennel Club recognised pedigree breed (cross breeds are not eligible to compete in Obreedience).

To qualify for the final points will be accumulated throughout the year at designated heats.

The team name should remain the same throughout all the heats. Substitution of dogs or handlers cannot be made after the closing date for that heat. A dog may only compete in one team per heat.

If at the conclusion of the heats there is an equality of points, the team which has achieved the highest place will take preference.

The heats will be scheduled as a Special class for pedigree dogs. There will be separate heats with the top 10 teams at each heat eligible to receive points.

Eligibility

Each team will consist of 4 dogs of the same breed with 4 separate handlers, plus up to 2 reserves at each heat. Teams are allowed to use different dogs at each heat, providing they are of the same breed. Only one team per breed will qualify for the Crufts final. No more than one dog in each team can have won out of Class A at Kennel Club licensed G regulation Open or Championship obedience shows.

Competition Rules

The competition will include two rounds per team. The first round will be team heelwork, with the team either working side by side or one behind the other, as directed by the ring steward. The judge will be looking for consistency of teamwork, rather than competitive Obedience heelwork. The second round will involve one dog per team undertaking one of the following exercises: Scent, Send to Bed, Retrieve (handler's own article), Stop on Command and play. Should there be an equality of marks within the top 10 teams after both sections, a run off will be held with both teams completing the heelwork exercise.

Qualifying For Final (to be held at Crufts)

There is no limit on the number of heats in which a team may compete. Points will be awarded to the team as follows:

1st place = 10 points, 2nd place = 9 points etc. down to 10th place = 1 point.

After the final heat has taken place, the top ten teams will be invited to compete at Crufts, selection will be subject to the Crufts management's discretion:

1) The team with the highest number of points within each breed will represent that breed in the Final. In the event that two or more teams of the same breed have the same number of points, the team which has achieved the highest placing at the heats will take precedence. A maximum of three breeds will be invited to compete in the final from any one Breed Group subject to the Crufts management's discretion.

2) If more than three Breed Representative Teams within the shortlist belong to the same Breed Group, only the three highest scoring teams within that Group will be invited to compete at Crufts 2019. The remaining places in the top ten will be offered to the Breed Representative Team(s) with the next highest total points.

3) It is down to the team managers discretion as to who competes within the team invited to compete at Crufts.

4) Should your team be successful in qualifying for the finals at Crufts an entry fee of £40 per team will be required.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts of travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- Keep the dog in the shade – take your own shade, for example a large umbrella, and always have plenty of water available to drink, so your dog stays well hydrated.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.

Right to Refuse Entries: Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulations to refuse any entry.
