

KC Rally @ Crufts 2020!

Try out for the Inter-Regional Rally competition, to be held on Thursday 5th March 2020, NEC, Birmingham.

The Northern Ireland & Isle of Man team needs YOU!

Who? Anyone who has been training and/or competing in Rally currently living in Northern Ireland or the Isle of Man and whose dog is KC registered is encouraged to apply. Please note: Inter-Regional Obedience Team members 2020 will NOT be accepted to compete on the Rally team at Crufts 2020 (and vice versa). **Looking for team players who will relish the opportunity to perform on the green carpet representing the positive nature of rally.**

Which dogs? There are breed restrictions for the Rally team. We may have no more than 2 Border Collies/ WSD, no more than 2 crossbreeds and no more than 2 of the same pedigree breed. (Please complete pages 2 & 3 for each dog/handler team.)

When? 7.30pm, Thursday 14th November 2019 (L1 & 2) or Thursday 28th November 2019 (L3 to 6), Mallusk Orange Hall, Mallusk, Northern Ireland.

Isle of Man applicants are encouraged to attend the show on Saturday 26th October 2019, as I will be attending.

Members will be selected according to their prior experience and application details and discussion with the IOM Assistant Manager and in accordance with the team breed restrictions.

We need 1 team member for each of Levels 1, 2, 3, 4, 5 & 6, a reserve for Level 1 and some non-travelling (backup) reserves for all Levels. Eligibility date for qualifications is 31st October 2019. Every team member must be capable and willing to compete **at the level above** if necessary on the day.

Team members will be self-funding with some help from team fundraising. You will need to be available from 7.30am on Thursday 5th March 2019 for the teams' parade, and for the rest of the day for the competition itself.

The Kennel Club provides team tee-shirts and benches for each team member for the event at Crufts.

Deadline for receipt of application forms: Friday 6th December 2019

Applicants to the team will be notified of their success or otherwise by the 1st January 2020. All applications and queries to be sent to:
