

Burnham on Sea Rally Competition – 2nd September 2018

Level 3

Judge: Pat Somerset

Scribe: Lesley Peters

Thank you to Jenny for asking me to judge at their competition at the Glenda Spooner Horse Centre, the first time there for them and hopefully not the last, it's a brilliant venue. The whole team were very helpful, as I knew they would be, and made sure we had breakfast and lunch and plenty of drinks. Lesley was my scribe and did a fab job, really enjoyed working with her. We had some super teams working and some very well handled rounds, some disappointments, but those handlers accepted it all with good grace, well done to all, and just to say, if as a handler, you feel nervous on doing your round, sometimes us judges can feel nervous too, especially if it's your first appointment at that level! So thank you to everyone for entering under me and giving me the opportunity to watch your dogs work.
