

## JUDGES REPORT

**Show:** Ilminster Lions Club  
**Date:** 28 April 2018  
**Class:** Level 4 and Level 2 part 2  
**Scribe** **L4;** Isabel Bradley **L2;** David Moxon

This was my first time at this super venue in Somerset. Plenty of space and a friendly, relaxed atmosphere.

We were also blessed with a dry, but cold day. No risk of the dogs getting too hot!

Generally in both Levels there was a wide mix of abilities and success. As this was an early season event many of the dogs were overwhelmed by the scents and smells of an outdoor venue. Those achieving qualifying scores all had a good relationship with their dog who in turn gave them a good level of attention and responsiveness. A lack of attention and as a consequence lack of response to instruction was the major downfall for those who were less successful.

Massive thank you's go to both Isabel and David who scribed for me. Neither had done so before and did an excellent job.

Those for whom congratulations are in order for gaining qualifying scores in each level were;
