

Thank you to K9 Brats for inviting me to judge level 1 on 10th June 2018, a very hot day which affected many of my handlers and dogs. A lovely friendly show with a good variety of dogs entered in my level. Thanks also to Chief Steward, Pauline Regan and my excellent scribe Denise Byrne.

1st Place with a score of 210 – Miss J Morley with Mistie of Airstone at Jochurra

This amazing Westie is 13 years old! and what around, flawless, my scribe and I were so impressed. Well Done.

2nd Place with a score of 209 – Coral Woods with Golyfamor Sir Percivale

This was a lovely round from a Spitz with a big coat working in intense heat but a pleasure to watch.

3rd Place with a score of 208 – Abigail Beevers with Zarslake Benny Blanco

A Wheaten Terrier who was really happy working, such lovely motivation from Abigail and very little to mark.

4th Place with a score of 206 – Gina Eagle with Printesa Strazilor

This dog is a rescued street dog from Bucharest and was saved just in the nick of time, the quality of the work after such a start was a credit to Gina.

5th Place with a score of 205 – Coral Woods with Wyndlee Penny Arcade

Another of Coral's 3 Spitz who worked today (the 3rd one earned 202) I don't think you will be in level 1 for long!

6th Place with a score of 203 – Kristy Stephenson with Diddy Diva

A very good round from this lovely dog. Very little to mark, mostly the odd tight lead!

Judges Special – Sharon Reeves with Juno Beach Hurricane

This Boxer is white and unfortunately deaf so not the easiest dog to compete with and Sharon works hard with him. The work we saw was very good until the touch!
