

## Judge's Report

Level 1, Illminster Lions Rally, 24<sup>th</sup> April 2022

Judge Moira Connolly

First may I thank my scribe Sue Howlet for all her assistance through the morning.

The weather was kind to us at Illminster and with a large turnout of candidates this was a busy class.

Just one noteworthy point:- the importance of the judge's briefing in competition. This is when the judge will draw your attention to any critical details relating to the course. If for some vital reason you have missed this but are present before competition begins, don't be afraid to ask the Judge for a recap. We all really want you to have the best possible opportunity to succeed with your dog

Very well done to everyone who took part after such a long absence of competition. With nearly 60% qualifiers, 9 excellent qualifiers and the top 6 all scoring in the 200s the standard was very good for beginner dogs at level 1.
