**CAMPERS** - THERE WILL BE NO ENTRY TO THE SHOWGROUND BEFORE 2.30PM ON TUESDAY 9<sup>th</sup> July. If you wish to camp near to the field where the Rally will be taking place then the Rally camping will be on the left as you go through the main entrance, but you may camp elsewhere if you wish, there's a lot of room. After the main gate there is a gate into the main field, you must book in at the caravan on your right so that you can be 'ticked off'. There are obedience shows Thursday, Friday, Saturday, Sunday and Monday so if arriving to camp on any of those days you will need to drive through the main gate and find a space but you will still need to book in as above. If there's no one at the caravan, they may be judging please let Gail know. There is a 5MPH speed limit at the venue, please stick to this.

**Day parking** will be signposted, pass the main entrance then turn next right towards Lane Farm, go past the buildings and turn right through the gate into the field. The rally will be in a separate field to the obedience show, parking is available near the rings so as you drive in stay right and look for the rally parking sign. The obedience parking and any overflow from the rally will be on the left, you may park there if you wish. There will be helpers with **pink** tabards on to help you. **YOU MUST PARK AS DIRECTED.** There is a 5MPH speed limit at the venue, please stick to this.

1. Please book in at the marquee or the table which may be outside (depends on the weather) and either bring your own competitor number or there will be card available to write your own if you prefer plus there will be plastic badge holders to buy, minimum 20p donation. If competing both days your numbers will be the same.
