

Nuneaton Rally Show. 9th July 22. Level 1 part 1.

Thank you to **Klair Jones** for inviting me to judge L1p1 at Nuneaton Rally Show. Also, to **Julia Bodsworth** (CS) and **Helen Chetwynd** (SM) for seeing that everything ran smoothly. My own job was made easy by having the help of my amazing scribe **Jeanette Andrusin** who kept all the sheets in order.

I was very impressed with the standard of the Level 1 competitors who came into the ring when it was their turn and we were never kept waiting at all. I had 33 entries, 13 EXQ, 8Q, 4 NQ, 2 WD and 6 Abs.

The highest score was 204 Kizzie of Crackerhouse, 2nd 203, Snoopdawg Berzerkoid, 3rd 203, I,m waiting in the Wings. 4th 199. No Fire without Ash. 5th 198, Magglyn von Kojo. 6th 197 Somanic Jivin U Krazy.

There was a variety of breeds, Collies, Poodles, Rotties and Mixed breeds which makes rally more interesting, I think! ..If anyone wants to see a full class result, they are published on the rallynews website. I would like to remind all competitors, especially new to rally that you can ask to see your individual score sheet at the end of class. The details of your marks lost are shown and this knowledge should help you to improve your performance. I am always happy to explain any deductions if any individual in my class asks me. Keep rallying.
