Covid 19 Compliance – Cohort System

Handlers will be assigned to a 'Cohort Group' of up to 6 individuals. They will arrive together, walk courses together and compete together. Our aim is to minimise the possible contacts that handlers will be exposed to at a show (while also maintaining social distancing). Competitors with more than one dog will normally run each dog within the same cohort group but may request each dog in a separate group if this would be too challenging – it will be at the discretion of the show secretary whether to grant this request.

As part of the planning for this show, the organisers have done a Covid risk assessment and you will be given detailed instructions as well as a timetable for your cohort group with the running orders. Naturally you will be required to socially distance and use hand sanitiser and try not to touch anything that does not belong to you. Feel free to wear a mask whenever you require and respect other people's limits.

Groups will have 5 minutes to walk each course. The first group will be scheduled to be briefed at 9.00 and will move straight to ring 1 upon completion of working in ring 1 the cohort will move straight to ring 2. Once the cohort has completed in both rings they will need to leave the venue.

There will be no spectators at this event. Only the handler and dog will be allowed into the indoor arena. Handler who are under 16 years of age may have an accompanying adult. Please advise the secretary when entering if you have a valid reason for needing an assistant at the ring. Any extra occupants in the car on arrival may be requested to stay in the vehicle at all time while at the venue.

SCHEDULE OF CLASSES

Class 1 - Level 1/2 – a course made up of mainly level 1 signs with a couple of level 2 signs and with a level 1 bonus. Kindly judged by David Cameron.

Class 2 – Level 2/3 – a course made up of any level 1, 2 or 3 signs but suitable for completing with the dog on a lead. The bonus for this class may be from any of the bonuses up to level 6. Kindly judged by Sarah Lindsey.

Each entry will be for both classes (due to the cohort system it is not possible to enter 1 class only) and will cost £10 (£5 per class).

Each class will be open to any level dog / handler. You will be asked to state on the entry form your dogs experience. At the score table each class will be split

a)Precomp – Dog not to have competed at a KC Rally obedience show at the closing date of entries

b)Level 1/2 – Dogs who have competed at a KC Rally obedience show and who are eligible for these levels. These dogs will compete on lead.

c)Level 3+ - Dogs competing at Level 3 or above in KC Rally obedience. These dogs will compete off lead.

Awards

Place rosettes will be awarded to 3rd or 10% of the class entry.
