ELIGIBILITY AND SCHEDULE OF CLASSES

Classes at rally competitions

A competition host may stage one or more special classes not conforming to the standard class tests set out in Annex C of the Regulations. Such classes must contain the word 'special' in the title of the class, and shall not count towards progression, titles or awards in standard competition classes.

Levels

Rally handler/dog teams compete in their lowest eligible class from Level 1 to Level 6. They may also compete at the subsequent level.

Progression to the next level does not require either wins or places. Progression is dependent upon gaining three excellent scores, under three different judges, or six qualifying scores under four different judges.

Levels 1 – 4 have a qualifying score of 175 out of 200.

Levels 5 & 6 have a qualifying score of 180 out of 200.

Scores equivalent to these qualifying scores (or greater) earned at limited rally competitions do not count towards progression, rally Level Titles or Excellent titles.

In all levels a qualifying score of 190 or above equates to an excellent score.

Rally handler/dog teams where the dog is 7 years of age or older may compete in Veteran as well as, or instead of, their lowest eligible class.

Veteran has a qualifying score of 175 out of 200. A qualifying score of 190 or above equates to an excellent score.

Eligibility

When entered for a competition, a dog must be entered in a standard class at the level for which it is eligible.

The dog may also, if desired, be entered in up to two additional classes **including** one further standard **level** class at the subsequent higher level. Once a dog has earned any level or excellent title, it is no longer eligible for any lower level.

A dog which is 7 years old or over on the first day of the competition may be entered in just a Veteran class. It may also be entered in standard level classes and special classes to a maximum of 3 classes in total.

A dog may be entered in special classes only, up to a maximum of 3 classes in total. Special classes do not count towards progression.

SECURITY AT SHOWS

In light of recent events the Royal Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organizers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organizing and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organizers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Should you see anything suspicious or of concern, please alert the Show Secretary, Show Manager immediately. If it is a package or bag you are concerned about, please do NOT attempt to move it or examine it yourself.

Should it be necessary for the venue to be evacuated, please remember that evacuation should be carried out as speedily but as safely as possible, as in the case of a fire. It is important that you do not block the exit routes with cages or bags and follow any instructions given to you by the Show Management regarding evacuation procedures.

Special Reward Classes

Please note that you may only enter a maximum of 3 Rally classes. Please read the Eligibility section carefully, especially if you are entering Veteran.

Guidelines for all Special Reward Classes

All the Special Classes this year allow the use of rewards and aim to provide the opportunity for handlers to reward their dogs in a competitive ring set-up. Rewards may be food and/or a silent toy at the handler's choice. All special reward classes will provide a minimum of 3 rewarding opportunities, at least one of these will allow rewarding in place at the end of a static exercise.

Each class will include at least one reward area which will contain a table or box to allow the handler to pre-place their reward(s) if they wish. Rewards may also be carried concealed upon the handler's person, but not carried in the hand. Food rewards should be throwable food (i.e. that will not break up) in a sealed container.

Scoring for Special Reward Classes

All the special classes will be scored in the same way as a standard class. However, for the special classes only, the following will earn a 10-point deduction instead of an "NQ":

- Touching the dog to prompt an exercise
- Exceeding course time (unless an EMR for time has been approved)
- Consistently tight lead
- Handler misses or does not attempt an exercise

Please note that Special classes are not Qualifying classes so do not count towards titles or progression.

Special one two three reward class

Open to dog and handler teams who do not yet have a Level 3 title.

There will be 8-12 exercises from Levels 1-3, all of which must be able to be performed on lead.

There will be a minimum of 2 static positions and a maximum of 8. There will be no separate Bonus Exercise as the judge will award bonus points for effective use of your rewards. The judge may choose to use a bonus exercise within the course.

The course may be worked on or off lead at the handler's choice. If working on-lead there will be a section which can be attempted off lead if the handler wishes. The judge will indicate where to remove, and then reattach, your dog's lead.

Special three four five six reward class

Open to all dog and handler teams over 12 months old, however, this class is aimed at those working Level 3 and above so will be worked off lead.

There will be 12-17 exercises from all Levels, but limited to a maximum of 2 Level 5 exercises and 2 Level 6 exercises. There will be between 2 and 12 static positions and a maximum of 2 jump exercises. There will be no separate Bonus Exercise, instead bonus points will be awarded for effective use of rewards, however, the judge may choose to use a bonus exercise within the course.
