## DEFINITION OF CLASSES

1. In the following Definitions of Classes first prize wins in limited show obedience classes and open shows confined to one breed do not count for entry in open and championship show obedience classes but do count for eligibility at limited obedience shows or open shows confined to one breed.

2. A dog not qualified to enter championship class C must be entered in the lowest available class for which it is eligible and may also be entered in another class if desired plus one additional class at the society's discretion. Only qualified dogs may be entered in championship class C and these dogs may also enter open class C and one additional class at the society's discretion. (Note the qualification for championship class C and Obedience Warrant).

Exemptions from this regulation are:- A dog entered in a Good Citizen Dog Scheme Special Pre-Beginner Obedience Stakes Class or A dog only entered in a special class (or classes) provided such a class (or classes) are defined in the schedule. Such entries must be made in line with the show's closing date for entries.

3. Societies may schedule classes other than those defined below. The eligibility for "special" classes must be defined by the society and included in the schedule. The word "special" must be included in the title of the class.

4. Progression may be on wins or progression points and the handler may select their preferred means of progression on a class by class basis. A class will be won by the dog that has lost the least number of points in the test, unless otherwise stated for special classes.

**KENNEL CLUB GOOD CITIZEN DOG SCHEME SPECIAL PRE-BEGINNER STAKES** To compete in The Kennel Club Good Citizen Dog Training scheme (KCGCDTS) Special Pre-Beginner Obedience Stakes a handler or dog must not have won two first prizes in either pre-beginners or beginners or gained a third place or above in any other obedience class (introductory class excepted). Dogs which qualified out of pre-beginners prior to 1 January 2020 will not be eligible. Exhibits must have obtained a minimum of their Kennel Club Good Citizen Dog Training scheme Bronze Award prior to the closing date of the show.

**PRE-BEGINNERS** To compete in pre-beginners a handler or dog must not have won two 1st prizes in either pre-beginners or beginners nor gained a 3rd place or above in any other obedience class. (Introductory class excepted.) and have not elected to progress on points from Pre-Beginners.

**BEGINNERS** To compete in beginners a handler or dog must not have won a total of two or more 1st prizes in beginners class, or one 1st prize in any other obedience Class. (Introductory class and pre-beginners excepted) and have not elected to progress on point from Beginners; plus, the handler must not have won a first place in any other Obedience class (Introductory class, Pre-Beginners and Beginners excepted) and have not elected to progress on points from Novice. Handlers that have previously entered Novice as their lowest available class before 31 December 2024 may elect to continue to treat Novice as their lowest available class. Once they have elected to do so they will not be eligible for Beginners thereafter.

**NOVICE** For dogs which have not won two 1st prizes in obedience classes. (Introductory class, pre-beginners, and beginners excepted) and where the handler has not elected to progress on points from Novice.

**CLASS A** For dogs which have not won three 1st prizes in class A, B and open class C in total and where the handler has not elected to progress on points from Class A.

**CLASS B** For dogs which have not won three 1st prizes in class B and open class C in total and where the handler has not elected to progress on points from Class B.

**OPEN CLASS C** At open and premier shows, and in the open C classes held at championship shows, open to all dogs.

**CHAMPIONSHIP CLASS C (KENNEL CLUB OBEDIENCE CERTIFICATE)** For championship class C at championship shows, dogs must have won out of novice, class A and class B, or have progressed on points from those classes, and have won open class C on one occasion and have been placed not lower than 3rd on three further occasions, all open class C places and wins must have been won under different judges at Kennel Club licensed shows.

### **SPECIAL ABC, GUIDANCE NOTES. General information for competitors on ABC classes.**

- Highest score wins – points are gained rather than lost.
- Rounds are judged on both accuracy and teamwork/motivation
- You are allowed to reward in the ring between exercises – some judges may allow you break off in heelwork to reward.
- A corner of the ring is normally set aside as a reward area – you may have to leave the ring and reward outside if using food.
- Rewards can be carried on the person out of sight during the exercises.
- Rounds consist of heelwork and then a choice of 2 exercises – usually from sendaway, retrieve, recall but sometimes DC and ‘baby scents’ are included. There are often no formal set ups/finishes in the exercises (at the judges’ discretion). There are no stays. You can choose to work whatever level/exercise you wish regardless of the KC class you are in. e.g. Pre beginners can do the sendaway.
- Heelwork rounds generally consist of circles with straight stretches with changes of pace/positions on move incorporated into the higher-class round. Handlers working at a lower class are allowed to speak to their dogs if attempting a higher round. Some heelwork rounds may be ‘you have 2 minutes to show me what you can do’ - make sure you have a plan beforehand!
- Handlers from a lower class doing a sendaway are generally allowed to put a mat/toy at the back marker. Retrieve can be a choice of dumb bell or judges’ article and may have an optional small jump.
- You may get asked to ‘show me what you do to warm your dog up’ e.g. tricks, leg weaves etc
- Judges will put their rounds with guidelines on the ring table before the class starts – try to look at what is available beforehand so you have a plan.

#### **Additional information for judges**

- Please no dressing up, pegging out washing on lines or obstacle courses. Whilst a few props may add to a round please make sure there is sufficient room to allow teams to work without dogs being spooked or handlers tripping over.
- Teams working a higher exercise may be awarded bonus marks for trying but please ensure the number of bonus points does not ‘skew’ the results. – 5 bonus points for each level should be sufficient.
- Remember there will be handlers from pre beginner to C – try to make sure that your round is ‘accessible’ for all , the set exercises should not be compulsory – not all pre beginners have a retrieve

The first 6 in each heat qualify for the final. All heats held before the final count.

**Progression on wins.** Progression from each class will be determined by the eligibility for the class as referenced in Regulations G(A). To count for progression wins must be gained in standard classes at Kennel Club licensed Open, Premier or Championship Obedience shows. A first place will count towards progression.

**Progression on points.** At the handler’s discretion a dog may progress up to the next class, up to and including into Open Class C by gaining points at each level, using the Obedience

Excellent scale of points scheme as follows:

- Ten points for first prize
- Four points for second prize
- Two points for third prize
- One point for fourth prize

If this method of progression is selected, the handler must ensure the show secretary/chief steward signs the dog’s Obedience Record Book at the first show entered in the higher class. There is no time limit on this progression, however, once a dog or handler has progressed, they cannot return to the class that they had progressed from. All wins and places to fourth since 1 January 2019 can be included when calculating points. Points are specific to a particular class and cannot be used against a lower or higher class.

Points required for progression on points are as follows:

1. 20 points required for progression from Pre-Beginners.
2. 20 points required for progression from Beginners.
3. 20 points required for progression from Novice.
4. 30 points required for progression from Class A.
5. 30 points required for progression from Class B.

1. Dogs entered at Kennel Club licensed obedience shows must be registered at The Royal Kennel Club in accordance with Kennel Club regulations for Classification and Registration B.
2. All dogs registered and resident outside the UK must be issued with a Kennel Club authority to compete number before entry to the show/event can be made. All overseas entries without an authority to compete number will be returned to the exhibitor/competitor.
3. Only dogs of 6 calendar months of age and over are eligible for competition at Kennel Club licensed obedience shows.
4. A dog must not compete in the same class more than once, including special classes.

8. PROGRESSION ON WINS: In estimating the number of awards won, all wins up to and including 25 days before the start of the competition i.e. 18th June 2025 shall be counted when entering for any class. For these purposes a competition shall be defined as all classes covered within the same schedule. In the event that a dog becomes eligible for the next class at a particular show, after the entry for that show has been sent, it is the competitor's responsibility to notify the show secretary or the show processor at least 14 days before the date of the show. The dog should then be moved into the appropriate class(es). The dog must be moved into the corresponding number of classes as were entered at the lower class. If there are fewer or no classes available for the next class the competitor should be offered a refund of the relevant entry fees.
9. In the event that the show is cancelled due to unforeseen circumstances, the society will refund fees, less reasonably incurred expenses. If the show processor has the provisions to do so, competitors will be refunded in the manner in which they had entered the show, but in any event the society will refund fees within 3 months of the show date to all those who had entered and requested a refund within 1 month of the show date.
10. (a) In classes without a full running order dogs will be received until one hour after the commencement of judging (**10.30am**) after which no dogs may be received except under unforeseen and exceptional circumstances and by special permission of the show management.  
(b) Where dogs are entered solely in classes with a full running order they will be received at any time, except that in Championship Class C, this must not be later than 12 noon.  
It is the exhibitors' responsibility to ensure that exhibits are available for judging when required.
11. For the duration of the show all dogs, including those in the exercise area, must be on a lead except when competing or practising prior to competition.
12. The mating of bitches within the precincts of the competition is forbidden.
13. The dog should be led into the ring for judging with a smooth collar or, half-check collar, with lead attached (unless otherwise directed) and should be at the handler's side.
14. Animals allowed in Event  
No animal other than one officially entered shall be brought into the precincts of the event during its continuance, except any dogs registered to assist the disabled, or dogs required for educational or instructional purposes or by permission of the Board.  
However, at the discretion of the show society, a dog brought to the show by a spectator may be admitted into the precincts of the dog show, with the proviso that those in charge of the dog sign a declaration confirming the dog is free from disease and that the dog will be kept under proper control at all times.
15. Following discussion between the chief steward and the show management and/or a veterinary surgeon, a dog shall be prevented from competing and/or removed from the show if it is:- a. A bitch which is in season. b. Suffering from any infectious or contagious disease. c. Interfering with the safety or chance of winning of an opponent. d. Of such temperament or is so much out of control as to be a danger to the safety of any person or other animal. e. Likely to cause suffering to the dog if it continues competing. The circumstances of such a removal shall be recorded in the show Incident Book and submitted to The Royal Kennel Club.

16. An exhibitor or competitor should ensure that contact details for any handler are available and must be provided upon request in any investigation of a breach of this regulation by such handler.

17. Dogs will be disqualified if proved to have been handled in the class by the scheduled judge's spouse or immediate family, or resident at the same address as the scheduled judge.

18. No person shall carry out punitive correction or harsh handling of a dog at any time within the boundaries of the show.

19. No competitor shall impugn the decision of the judge or judges.

20. Should a judge be unable to fulfil the appointment to judge the committee reserves the right to appoint another judge.

21. Should circumstances so dictate the Society, in consultation with the judges, may alter arrangements as necessary. Such changes and the circumstances surrounding them will be reported to The Kennel Club.

## 22. DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and **at risk** if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog. If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused.

## 23. Welfare of Dogs

A competitor whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not knowingly put their dogs' health and welfare at risk by any action, default, omission or otherwise. A breach of this regulation may be referred to the Board for disciplinary action under Kennel Club rules and regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any obedience show licensed by The Kennel Club. This shall apply at the venue and within the precincts of the show.

# **OBREEDIENCE**

**Judge: Rachel Bradley**

## **Heelwork**

Is a stewarded team exercise where all dogs start and end sitting at heel beside the handlers left leg. Dogs and handlers should remain synchronised and in line, throughout the chosen pattern of turns, weave and halts, without the need for the lead to be tight. There are 3 heelwork patterns for the judge to choose from, which may be found further down this page (Test A, Test B and Test C)

**Individual exercises will all start and end on the steward's direction.**

## **Send to bed**

The dog should go to its bed and settle there, on the command of its handler. The dog is shown where the bed is positioned prior to the handler returning with him/her to the start point of the exercise. The dog should remain on the bed until the handler has replaced the lead, signifying the end of exercise.

## **Retrieve**

The dog should retrieve an article, thrown by the handler, and should return with it to sit in front of the handler. The dog should continue holding the article until the handler takes it, before sending the dog on the steward's command, to sit beside their left leg.

## **Stop the Dog and Play**

The dog must be able to remain in a settled position, whilst the handler moves away to a designated spot. The handler is asked to recall the dog, but must then stop it within a marked area. The dog should remain in position until the handler returns, clips the lead on and then plays with the dog, until the steward signifies the end of exercise.

## **Scent**

The dog's article is placed in position, in a straight line made up of 5 other articles, with the dog's view of them obscured. The dog is then sent to find its own article, ignoring the other 5. The dog is likely to use both sight and scent to detect the correct article, and having done so, should return with it, to sit in front of the handler. The handler must take the article, before sending the dog to sit beside their left leg, when asked to do so by the steward.
